RE: FDA Letter of Guarantee

This letter is to confirm that all containers are of F.D.A. food contact approval for used in bag in the box (BIB), Portion Pak cups, and metal containers for our cheese products and salsa cups produce for/by Gold Medal Products Company.

When used unmodified for food applications, these materials will comply with the U.S. Food, Drug and Cosmetic Act as amended under Food Additive Regulation 21 CFR 177.1520 and 177.1600 as well as those not listed, which states such material may be safely used in contact with foods. These materials are therefore suitable and safe for use in direct, indirect or incidental contact with foods.

Likewise, all finished goods comprising each shipment or delivery made by Gold Medal Products Company are in compliance with the U.S. Food, Drug and Cosmetic Act.

Sincerely,

Todd Sunderhaus
Food Regulatory & Science Manager
